

Using Memes in the Classroom

Students can create a meme relating to a unit of study.

Select a picture. Be sure it fills the Google Drawings canvas.

Tip: You can adjust the canvas size by selecting **File** and **Page setup**. Choose **Customize** and adjust for inches or pixels.

Insert menu to add an **Image**:

- Upload from computer
- *Search the web* to insert images
- Add from Drive
- Add from Google Photos
- *Camera* inserts from the webcam

Creating memes fosters communication, creativity and critical thinking.

Insert Text

- Text Box
- Word Art

Tip: Be sure the text is clear and legible on top of the image. Right click on the text box or word art. Select **Order** to **Bring to the front**.

Tip: Use bold display fonts.
