Apply Now to Join the Instructional Technology Department's eLead Program:

eLead (Formerly known as the Innovative Leaders Program or ILP) is a district wide program that identifies positive, proactive Instructional Technology Leaders in each school. These teachers will become an extension of the Instructional Technology team. We are identifying teachers and staff who are ready to take their leadership to the next level and work with the staff in their own buildings and across the district with instructional technology needs and assist the IT Department with district initiatives.

Be sure to check out this week's Tech Tip

Tube Chop

Chop YouTube Videos

How Does It Work?

1. Find the video you want to chop.
2. Select & cut interesting part of the video.
3. Share it with friends.

viewpure 

[FAQ](#) [Search](#) [Live](#) [Donate](#)

Examples

Watch YouTube videos without comments, ads, or other distractions.

10,782,180 videos have been purified

1. Simply copy and paste a YouTube URL

2. Click Purify

Still having trouble? Maybe try taking the [tour](#)

Drag the Purify button to your bookmarks bar for even easier access!

Use it anywhere.

Simply drag the button into your bookmarks bar (or right-click and favorite it in IE).

Next time you see a video you want to purify, click the bookmark when on the YouTube page and voila!

Teachers ask. You choose.

Think It Up™

Student-Powered Projects

How It Works

With Think It Up, students and teachers develop projects that draw on the students' passions and help them pursue their educational goals.

Beginning Sept. 1, 2015, public school teachers are invited to post classroom projects at www.DonorsChoose.org.

From Oct. 1 through Oct. 31, 2015, the Fuel Your School program will donate \$1, up to a total of \$8.8 million, to help fund eligible classroom projects when consumers purchase eight or more gallons of fuel at participating Chevron or Texaco stations.
