Three Weeks and Counting

Maybe it's just me, but the first three weeks flew right by and it's hard to believe September is right around the corner. I am thrilled that I have already had the opportunity to work with so many of you: assisting with grade-book set-up, conducting Activ Inspire training, coaching with iPads, and sharing tech tips and resources. Thanks to all of you whom welcomed me into your classrooms or stopped in for one of my sessions in your school's media center. Be sure to check out my [website](#) for great links and feel to submit a [request](#) if I can be of assistance.
