TECHSPLORE 2019

JULY 31ST @ THE COAN BUILDING

UNCONFERENCE

Come experience TECHsplore 2019 as we navigate through an unconference format with sessions led by your APS peers and the Instruct Tech Team. This is a participant driven conference, so please come prepared to share your interests, expertise, knowledge, kernels, best practices and any other information you wish to share with your peers. This format, though loose and flexible, will include exciting session topics related to best practices for:

BEST PRACTICES WITH

- **GOOGLE SUITE FOR EDUCATION**
- **MICROSOFT IN EDUCATION**
- **NEARPOD & FLIPGRID**
- **DISCOVERY EDUCATION**
- **NEW AND INNOVATIVE TOOLS**
- **MINECRAFT**

There will be a TON of giveaways for participants
